AmBank pledges financial assistance for TLFP

KUALA LUMPUR: As one of the nation's leading financial services, AmBank Group is spending RM75,000 for a noble cause — for the fight against food waste and hunger by renewing its sponsorship of The Lost Food Project (TLFP) for the fourth consecutive year.

The contribution was formalised at TLFP's warehouse with a mock cheque handover involving AmBank (M) Berhad chairman U Chen Hock, group chief executive officer Jamie Ling, board members and volunteers.

AmBank leaders and staff joined volunteers in sorting fresh produce for the distribution, highlighting the group's hands-on role in supporting food rescue efforts.

Network has been involved in TLFP programmes such as bread rescue and warehouse

sorting, aimed at supplying underprivileged communities with food that would otherwise go to

waste.

With its latest pledge, AmBank said it hopes to help TLFP recover

more food, broaden its reach and strengthen nationwide efforts to reduce food insecurity.
