Student lost RM4,140 to Macau Scam

KUANTAN: A female student lost RM4,140 to a Macau Scam syndicate after being duped by a phone call purported from the Melaka court, claiming that her credit card was used to buy drugs.

Pahang Commercial Criminal Investigation Department chief Supt Mohd Wazir Mohd Yusof said the 21-student claimed to have received a call from a woman allegedly from the Melaka Court about 1pm yesterday, saying that an individual had used her credit card to buy drugs.

"The victim first denied this, but the call was then connected to the Melaka police contingent headquarters on the grounds that she should speak to the investigating officer," he told reporters.

Mohd Wazir said the victim also claimed to have given her personal online banking account and password to the second suspect, purportedly to assist the investigations.

Later, when the victim checked her bank account, she found her money went missing and lodged a police report at the Cameron Highlands district police headquarters.

He said the case was investigated under Section 420 of the Penal Code. – Bernama
