Secretary loses RM728,480 to scammers

KUANTAN: A charity association secretary lost RM728,480 after being duped by a fraud syndicate posing as Malaysian Communications and Multimedia Commission (MCMC) and police officers.

Pahang Police Chief Datuk Seri Yahaya Othman said the 38-year-old woman was tricked into being involved in a drug case.

He said the victim's misfortune began on August 7 after receiving a phone call from a suspect posing as an MCMC officer stating that a report had been made on the woman's phone number. – Bernama
